Skills and Technologies

- **Languages:** C, Python, JavaScript, TypeScript
- **Frameworks / Libraries:** React, Express.js, Tailwind, Jotai, Zustand, TanStack
- **Backend / Databases:** Pocketbase, Supabase, MongoDB, Postgres, Drizzle
- **Tools / Platforms:** Git, Bun, GitHub, Docker, Bruno, Postman

Projects

🔗 **Pdf Maestro - Desktop PDF Engine** : A high performance cross platform PDF Viewer

 [Github](#)

- Engineered using **Tauri** and **React** for native performance and enhanced application security.
- Leveraged **Jotai** for localized file library management and reactive state.

Technologies : Tauri, Rust, React, Jotai.

🔗 **Alpha mango - MongoDB GUI Client** : A lightweight alternative to MongoDB Compass. It delivers a snappy, native experience for developers who want a fast and easy way to interact with their data.

 [Github](#)

- Developed with a **Rust** backend to ensure superfast, efficient handling of cluster connections with near native execution speeds.
- Optimized for cross platform support, featuring realtime cluster connection handling and dynamic schema exploration.

Technologies : Rust, Tauri, React, MongoDB.

🔗 **IQRA - Knowledge Platform** : A full-stack web application designed to share Islamic knowledge in Bengali, Arabic, and English.

 [Github](#)

- Offers multilingual access to Quranic verses, Hadiths, and Fatwas with a clean, responsive UI.
- Implements JWT based authentication with role based access control and secure cookie handling.
- Integrated Aladhan API for prayer time schedules and implemented advanced search pagination.

Technologies : React, Node.js, Express.js, MongoDB, TailwindCSS, DaisyUI, JWT.

🔗 **IoT OMR Scanner** : An IoT-based system that automates OMR sheet evaluation using ESP32-CAM and OpenCV.

 [Github](#)

- Applies OpenCV based preprocessing and Hough Circle Transform for precise mark detection.
- Validates answers in real-time against predefined keys, providing instant accuracy reports.

Technologies : Python, OpenCV, NumPy, ESP32-CAM, Embedded C, HTML.

Education

Daffodil International University

2025

Bachelor of Science in Computer Science and Engineering

Metropolitan College, Dhaka

2020

Higher Secondary Certificate (H.S.C), Science

Gouripur S. A. High School

2018

Secondary School Certificate (S.S.C), Science
